

~ Parties ~

Thank you for selecting Jonas Gymnastics Academy to host your birthday party. We know it will be a fun and exciting experience for all.

We have two types of parties you can choose from:

Gymnastics: includes one hour of fun gymnastic activities including trampoline, parachute, obstacle courses, races and more (led by two instructors);

Cheer: includes one hour of fun cheerleading activities including cheers, a dance, jumps, trampoline, parachute, obstacle courses, races and more (led by two instructors);

We have established a few guidelines regarding your gym party:

- Each party is 1 ½ hours in length with one hour on the floor, followed by 30 minutes of refreshments/snack (supplied by parent/guardian). Remember: we now offer THEME Parties. (Must be requested 10-12 days prior to party day.) See reverse side for more details. Unfortunately, we no longer allow balloons at the parties.
- The fee for each party is **\$250** for up to 24 participants. Any number over 24 would simply require an additional instructor for a fee of \$40. We ask that you keep to approximately a 1:10/ 1:12 instructor student ratio. Additional instructors may be requested at \$40 each even if you are under 24 guests. An additional ½ hour may also be requested at specific times for an additional \$60. [This must be done in advance and is only offered at certain times].
- When first scheduling a party, a *non-refundable* deposit of \$150 is due within 1 week of your request. The balance of \$100 is due at the start of your party. Please pay the exact amount (cash or check); The instructors do not have change.
- The minimum age of participants is three; If children in this age group are attending, an adult for each must be present to assist if necessary. A 20-child limit is given for this age group unless you hire additional instructors.
- Parties are to begin and end promptly in order to be fair to everyone involved.
- Gratuities are not included and should be considered if deserved.
- If you have any questions, please feel free to contact us at: (732) 536-0030.
